Subject: FW: Training Documentation for 2009
Attachments: Training Spreadsheet 2009.xls
Importance: High

Hi Garry,

Can you please send me copies of the presentation materials that you used for these sessions? Let me know if they are still on LR folders on the J: drive. I have access to these directories and can retrieve them.

Julie,

The attached spreadsheet includes staff that was trained in 2009. I took a look at this and it appears that all of your staff was all trained. Please take a look and make sure I didn't miss anyone and keep this for your records. I will post this and copies of this and the presentation on the P drive for easy access.

Thanks.....Dina

Dr. Han – Per our conversation here is the Excel spreadsheet on Bloodborne Pathogen Training and Chemical Hygiene Training for non-SA approved staff in 2009.
